

RHINO FAMILY OF COMPANIES NAMED AS A TOP 10 MIDSIZE WORKPLACE

ATLANTA, GA – March 28, 2016 - The Rhino Family of Companies, parent company to Nolan Transportation Group, was named a 2016 Top Workplace by the *Atlanta-Journal Constitution*. Over 2,500 companies were considered and the Rhino Family placed 7th in the “**Top 50 Midsize Workplaces**” category.

The award credits the amount that is invested, both time and money, in Rhino Family employees. The Rhino Family of Companies has over 300 Atlanta-based employees across all four companies. The high-energy culture, growth potential, benefits, and quarterly social events all attribute to employees believing the Rhino Family offers the best workplace experience metro Atlanta has to offer.

“Leaving college and entering the workforce is a culture shock, I went through it myself,” said Founder & CEO Kevin Nolan. “The Rhino Family has experienced great retention because we put money back into the business, to keep our culture alive and our business growing.”

The list was based on employee surveys, conducted by WorkplaceDynamics, which rated the company across all areas including training, work environment, pay, benefits and long-term career growth.

An open-ended survey response included:

“The growth potential in the Rhino Family excites me. All of these companies promote and create positions from within. These businesses are heading towards generating more growth and I feel privileged to be a part of it all.” – An anonymous Rhino Family of Companies employee

The Rhino Family of Companies includes Nolan Transportation Group, OTR Capital, PayHawk, and Marquee Insurance Group.
