

DEPARTMENT OF DEFENSE RECOGNIZES NTG LEADERSHIP WITH PATRIOT AWARD

ROSWELL, GA - December 14, 2016- Nolan Transportation Group (NTG) leadership receives the 2016 Patriot Award for their commitment and support to America's National Guard and Reserve Force. The Patriot Award recognize NTG supervisors for contributing to national security by supporting employees who are serving in the U.S. Guard and Reserve.

In greater detail, the Patriot Award shows efforts made to support citizen warriors through a wide-range of measures including time off prior to and after deployment, caring for families, flexible schedules and granting leaves of absence.

Given out by the Department of Defense, Georgia Committee for Employer Support of the Guard and Reserve (GA ESGR), aims to build strong relationships with employers throughout the State of Georgia, including NTG, who employ service men and women.

NTG is proud to employ U.S. veterans along with National Guard and Reserve personnel. With locations across the country, NTG is thankful for the opportunity to offer employment to our nations' heroes.

Charging Forward. NTG Delivers.

Nolan Transportation Group is a full-service, third-party logistics company dedicated to delivering the highest level of service in the transportation industry. NTG offers a wide range of services for moving goods across the U.S., Canada, and Mexico. We provide logistical services for over 5,000 customers and our carrier base consists of over 25,000 independent transportation companies. NTG specializes in providing both TL ("truckload") and LTL ("less-than-truckload") freight carriers for our customers.
