

NTG TO AID IN RELIEF EFFORTS FOR FLINT, MICHIGAN WATER CRISIS

Grand Rapids, Mich. - June 15, 2017 -- Nolan Transportation Group (NTG), a third-party logistics company with 12 offices across the United States, is proud to recognize its Midwest region for aiding in relief efforts to victims affected by the ongoing water crisis in Flint, Michigan.

NTG has two office locations in the state of Michigan, Grand Rapids and Detroit. Both locations have been involved in raising awareness and funds to provide Flint, Mich. residents with several pallets of bottled water. NTG is proud to be involved in all efforts of providing Flint residents with support - raising the funds, booking transportation within its dedicated carrier network, and having a team there to assist in unloading at the Food Bank of Eastern Michigan on Wednesday, June 14th.

"It is very important to the NTG Midwest offices that we raise awareness within our community and across the company. We feel for the local community and as a transportation service company, we jumped at the opportunity to get our employees and carriers involved in relief efforts," commented Stephen McIsaac, Regional General Manager of NTG Midwest. "We are honored to help and encourage others to donate or aid in any way they can."
