

NTG RECOGNIZED AS A 2018 “TOP WORKPLACE” FOR THIRD CONSECUTIVE YEAR

Atlanta, GA - Nolan Transportation Group (NTG), a leading third-party logistics company, has been named a “Top Workplace” by the *Atlanta-Journal Constitution* for the third year in a row.

“For a company to be named on AJC’s “Top Workplaces” list is a great honor, but to be named for three consecutive years is truly amazing, and it goes to show how our culture and our people are at the foundation of what makes up NTG,” said President Harold Baron.

Out of over 2,300 participating businesses in the metro Atlanta area, NTG placed in the “Top 50 Mid-Sized Companies” category. The survey, conducted by AJC’s partner, Energage, are based solely on anonymous responses from employees.

“From day one we give the tools and resources to our employees that will set them up for success within NTG. Our work environment fosters collaboration and team-work that benefits the company as a whole,” added Baron.
